ASK

What is the "real-world" problem or question we need to solve?

IN-DEPTH INQUIRY

How could we fix this problem?

Give students some freedom on the what and how of their presentation.

STUDENT CHOICE

VOICE & 

4 C's

Communication  Collaboration 

21st Century Skills are key for success.

Critical Thinking  Creativity 

NEED TO KNOW

Identify what they need to know to solve the problem. Create your solution.

REFLECT

Reflect on feedback from others and revise as needed.

REVISE

PRESENT

Share your solution with the world!
